

May Mid-Month Report

8 draft applications, two open complaint, issued 6 permits, 52 open permits & conducted 7 field inspections at various locations throughout the county. MTD revenues \$2,585, \$21,730 YTD.

Attended Illinois Extension Local Government Education webinar on 5.10.22. Co-hosts at Prairie Rivers Network and Illinois USDA Rural Development shared information on funding through the Rural Energy Assistance Program (REAP), state tax credits for entities with clean energy, eligibility, and a case example from Bespoke Gift Company on preparing, as a small business, for the grant application. Slide presentation & recording may be found at:
