

January Mid-Month Report

The Zoning Board of Appeals met on 1.9.2024, discussed proposed updates to the BOCO Zoning & Building Ordinances. Next meeting is scheduled for 2.13.24. Agenda will include a special use permit, variance and proposed language changes in the Bond County Building & Zoning Codes.

GIS mapping project is complete. The public now has access to all county zone designations, municipal boundaries & zone designation(where available), township, section & acreage data.

We are in phase II of the smart-gov implementation, form creation.
