

NOTICE IS HEREBY GIVEN that the Bond County Board ("the County") is seeking statements of interest and qualifications from qualified consulting, engineering, and architectural firms to conduct a comprehensive Facility Cost Study (the "Project").

Description of the Project. The Facility Cost Study will evaluate the current Bond County Sheriff's Department and Jail — including maintenance requirements, operational costs, and compliance status — against the estimated construction and lifecycle costs of a new law enforcement facility. The study will provide the County Board with a comparative analysis to inform future capital planning for the Sheriff's Department and jail facilities.

Basis of Selection. Firms will be selected on the basis of demonstrated competence and qualifications for the type of services required, and a contract will be negotiated at compensation the County determines to be fair and reasonable. The County will evaluate interested firms on their qualifications, the ability of their professional personnel, past record and experience, willingness to meet time requirements, location, current workload, and such other qualifications-based factors as the County determines applicable. Firms should not submit any statement of fees, cost estimates, or other measure of compensation with their submission; fees will be negotiated only with the firm(s) selected as most qualified.

Submission Requirements. Interested firms must submit a letter of interest together with a statement of qualifications and performance data describing the firm's relevant experience, professional personnel, and capacity to perform the Project.

Obtaining the Information Packet. Full submission information is available at the Bond County Sheriff's Department, 403 S. 2nd Street, Greenville, Illinois 62246. Questions may be directed to 618-664-2151.

Submission Deadline. Sealed submissions must be received by the Bond County Sheriff's Department no later than **4:00 P.M. on January 29th, 2027**, at the address above. Submissions received after the stated deadline will not be considered.

Reservation of Rights. The County reserves the right to reject any or all submissions, to waive informalities or irregularities in the submission process, and to select the firm(s) determined to be most qualified in the best interest of Bond County.

The County does not discriminate on the basis of race, color, national origin, sex, religion, age, or disability in consideration of submissions or the award of any contract.
