Good Afternoon Brooke,

Thanks very much for your reply to my email. We'll be more than happy to be added to the agenda for the October 20th meeting.

Nathan McCarthy, our CEO, can meet with the board at 7:00pm. So that we can prepare a proper proposal for all board members to review, do you know if the county gets its bills directly from Ameren?

Subject: Potential Board Meeting Presentation December 1 - Microsoft Solar Farm Credits for Bond County

Good Afternoon Ms. Weathers and Members of the County Board,

I am Matt Schilling, reaching out regarding Special Solar Farm projects we are currently building around Bond County. We would like to apply the resulting dollar credits from our projects to the electric bills that the county is responsible for.

Once we do that, depending on your current electrical accounting structure, we would be able to reduce your cost by 20%, we don't have a ton of power right now but we do have enough to do at least 5- 8 large Government entities. The current Ameren discount for solar credits is between 10% and 12%; however, we are offering the county 20%.

We have dozens of participating municipal references across the state, including cities, counties, sanitary districts and school districts. We are wondering what the county prefers for presenting this information to the board.

Is there someone we can meet with at the county office? Or can we be placed on the board's upcoming agenda?

Every Government agency has a different process for presenting information to its board members. We copied in a few county administrators because we are moving quickly on these projects due to federal timelines; the first milestone for these projects needed to be met this past July 4th.

I researched the county budget and noted that the county spends over \$1.2 Million per year on utilities, suggesting an estimated annual savings of \$240,000.

Is there a time this week or early next week when someone can come to the county office to present our proposal?

Thank You For Your Time.

Respectfully,

Matt Schilling

**AN ORDINANCE AMENDING PREVIOUS ORDINANCE DATED OCTOBER 15, 2019
ESTABLISHING THE CHILD ADVOCACY FUND ON CERTAIN CRIMINAL ASSESSMENTS TO
BE CHARGED BY THE CLERK OF THE CIRCUIT COURT**

WHEREAS, the previous Ordinance dated October 15, 2019 of Bond County currently set forth establishing the Child Advocacy Fund on certain criminal assessments to be charged by the Clerk of the Circuit Court; and

WHEREAS, the Illinois General Assembly passed comprehensive legislation in 2018, which completely overhauls the criminal, traffic and civil fee structures in the circuit courts throughout the State of Illinois; and

WHEREAS, the purpose of the legislation was to consolidate fees into unified schedules for all counties, to realign fees to be constitutional, and to provide for fee waivers for low income individuals; and

WHEREAS, effective July 1, 2019, Section 27.1b of the Clerks of Courts Act, 705 ILCS 105/27.1b, sets out the fees to be charged in all counties in the State of Illinois by the Clerks of the Circuit Court for the filing of pleadings and for other services provided by the Clerks in civil cases; and

WHEREAS, Section 27.1b of the Clerks of Courts Act creates four schedules for civil filing fees, three schedules for civil appearance fees, and establishes various other fees that Clerks of the Circuit Court are authorized to collect for services, all of which are generally classified as "not to exceed" amounts; and

WHEREAS, Section 27.1b provides that, unless otherwise specified, the amount of the fees shall be determined by ordinance or resolution of the county board and remitted to the county treasurer to be used for purposes related to the operation of the court system in the county; and

WHEREAS, effective July 1, 2019, the newly-adopted Criminal and Traffic Assessment Act, 705 ILCS 135/ et seq., sets out minimum fines to be levied and assessments to be charged in criminal and traffic cases by the Clerks of the Circuit Court in all counties in the State of Illinois; and

WHEREAS, Sections 15-5 through 15-65 of the Criminal and Traffic Assessment Act establish thirteen (13) assessment schedules for various criminal, traffic, conservation and non-traffic offenses, and for each schedule the County's portion of the assessment is specifically listed; and

WHEREAS, Sections 15-5 through 15-65 break down how the assessment amounts are to be distributed to various County funds, if those funds are in existence; otherwise, the amounts designated for funds that are not in existence are to be placed in the County's general fund for purposes related to operation of the court system in the County.

WHEREAS, the Governor of Illinois signed into law Public Act 104-0468 and parts of the act amend 705 ILCS 105/27.1b(a), 705 ILCS 105/27.1b(b) by adding a \$5.00 fee to the Guardianship and Advocacy Fund
