It starts at 3, so we'll say about an hour to set up and it will probably last about 1 1/2 hours and depending on how many show up, people usually hang around for an hour and talk. So, I'm going to say from 2 till 6.

Thanks, Barb

Everyone,

.A few months back I requested multiple months at a time, to hold peaceful protests. At the time it was decided I needed to ask monthly.

For many months now, we have peacefully protested, respected the courthouse grounds making sure when we leave, there is no trace of our being there.

With summer coming upon us, and multiple people will be making requests of the grounds, I once again proposed multiple months schedule, so we might be able to better coordinate with possible future musicians performing and or any possible vendors. I am submitting a request for April. With the hope that the board reconsiders my proposal, for multiple months at a time.

Requesting the following dates in April 12, 19, and 26th, with the time being from 11-2 pm.

Respectfully

Dale Hawkins
