

BOARD MEETING DATES

The Bond County Board meets the first Tuesday of each month at 9:00 am and the third Tuesday of each month at 7:00 pm. The meetings are held in the Bond County Courthouse Board room on the first floor. You must enter the south door of the courthouse, through a metal detector and leave your purse or packages in your vehicle.

Special meetings may be held as long as a 48 hour notice is given and posted at the south door of the courthouse. Holidays or election days may change the dates of Board meetings.

BOARD MEETING RULES

The agenda contains the only items that the Board may be voting on.

Visitors may have a time to make comments, unfortunately these items may not be voted on at the meeting unless they are already on the agenda. You must identify yourself.

Your time to speak may be limited to three minutes if the Board so wishes.

Rowdiness, loud speaking, name calling, foul language and unrelated comments may cause you to be removed from the meeting.
