

August Mid-Month Report

6 draft applications, issued 5 permits, 132 open permits, 14 complaints & conducted 3 site visits at various locations throughout the county. MTD revenues \$2,806, YTD revenues \$36,373.

In the process of permitting a new cell tower to be located on the New Douglas Road near Sorento.

Requesting approval to sign contract with SmartGov for new software. All county modules are included and may be used for all permitting county-wide, managing and tracking complaints, corrective actions. Software will be used initially by zoning & the highway department. Software is ap based and includes a robust public portal. It will tie directly into ESRI GIS and Devnet ensuring data is up to date and accurate across all platforms and departments. Scott Wight will manage all systems.
